and implicitly trust in his safety. He had always been raised to show himself to look impecable in any situation and that continues to translate into his garb and gear. While not running the streets he cleans up quite nicely in an armored suit that is tailored to his proportions, dark navy jacket and pants with a black shirt and wine tie are the mainstay when he must be presentable to those around him. Otherwise, you'll find Theo in a much more comfortable suit that hugs close and leaves little trailing away, giving ease in running the rooftops and going about unseen.
